The Kilmer Group presented a check to Stephanie Robinson (4th from left) of the Wyalusing Relay for Life committee in October. The \$1,292.00 donated was raised by staff members through snack sales and \$5 jeans day every Friday.

In September, a group of Kilmer men participated in the Big Brothers Big Sisters of the Twin Tiers Golf FORe Kids' Sake tournament. The company donated \$ for the cause.

Also in October, The Kilmer Group sponsored a board at the Wyalusing Hoopsters Club cornhole tournament to raise money for the local organization.

We work with over 100 different insurance carriers to find our clients the best possible pricing with the best possible coverage. Here's some important information from one of them:

PROGRESSIVE

Monthly amounts will change

Last spring, Progressive began requiring new business personal auto customers to pay higher down payments as part of an effort to protect their mutual profitability in a challenging market.

Today, we have good news to share— at the start of their renewal term, customers will return to the lower down pay monthly payment plan, spreading premiums evenly over the term. Customers also have the option to choose from a variety of other bill plans, including pay-in-full.

We hope this is welcomed news for Progressive customers. Please keep in mind that due to this change, some Progressive customers may notice a change in their premium and monthly payments when their policy renews.

If you have any questions when your policy renews, please give us a call and your account manager will be happy to help you! 800-472-8887
