Happenings from The Kilmer Group office

Welcome!

Introducing the newest member of our team, April S., who recently obtained her Property & Casualty license and is ready to help clients reach their goals. A Wyalusing HS graduate, April is a wife and busy mom of three who stays very active in her children's lives as softball coach and Girl Scout troop leader. Her years in customer service is the perfect stepping stone for her new role at The Kilmer Group as a commercial lines account manager.

Building Improvements

The Kilmer Group headquarters has undergone some upgrades recently. Thanks to Cooley Brothers Construction, we now have a new roof over our heads. In a matter of days, the old shingles were removed, and new ones were put in place.

Also, visitors to our office will now receive a welcome call via intercom from an office representative upon arrival. After being greeted, you will be directed to enter, as our doors are securely locked until we grant access.

Insurance Tips & Things

The summer season brings with it all kinds of events - fairs and festivals, barbecues, fund-raisers, reunions, sporting events, and a host of other parties and gatherings. If you or your organization are hosting one of these events, getting insurance to cover any accidents or unexpected occurrences is a must. Here are some things you should know when applying for event coverage.

- Liability insurance- provides coverage for injury or property damage to others as a result of your event.
- Cancellation insurance - coverage for expenses resulting from a delay, rescheduling, or cancellation due to weather, illness or injury, or vendor no-shows.
- Event insurance takes a few days to acquire, so don't wait until the last minute to start the process.
- If having an event at your home, check your homeowners insurance policy, as it may be covered. You may still need additional coverage if serving alcohol so don't just assume your current policy is enough.

If you need event insurance, give us a call and we'll be happy to get you started with finding the best coverage for your event or gathering. 800-472-8887

CARRIER
CORNER

WE WORK WITH OVER 100 DIFFERENT INSURANCE CARRIERS TO FIND OUR CLIENTS THE BEST POSSIBLE PRICING WITH THE BEST POSSIBLE COVERAGE. HERE'S SOME INFORMATION FROM ONE OF THEM:

PROGRESSIVE®

In light of September being National Mold Awareness Month, here's a note from Progressive on the matter...

Does homeowners insurance cover mold?

Homeowners insurance doesn't usually cover mold damage or removal unless it's the result of a covered peril. If the mold in your residence was caused by something sudden or accidental, such as a bursting pipe or some other covered incident on your policy, you may be protected. However, if the mold has been around for weeks or longer, your policy likely won't cover the expense.

Relationships are *golden* to us!

Our Pot of Gold referral program is our way of saying thank you to our existing clients and welcome to new ones! Here's how the program works:

- Refer us to a friend, family member, business partner, customer, or anyone else you know.
- If they call us for a quote, you get your name in a drawing for a \$50 gift card to the restaurant of your choice. A winner is chosen every month.
- At the end of the year, all winners will be entered into our grand prize drawing in December for a chance to win \$250 cash.

**It's that easy...
spread the word and be a winner!**
